"What an amazing unique location to hold a birthday party.
Best Birthday Party Ever!
Had the most amazing host who was so knowledgeable and told the most amazing stories to the almost 10 year old's. Worked with us to ensure the stories were perfect for the age group and was so accommodating. I didn't know what to expect but expectations were blown out the window.
I would HIGHLY recommend Adelaide Gaol for your next Birthday Party Experience!"

FREQUENTLY ASKED QUESTIONS

Is the party indoors or outdoors?

- Birthday parties are mostly outdoors in the New Building area of the Gaol which has a private grassed outdoor space. Inside the building is generally allocated for the party games.
- If the weather is very hot, inside the building is often slightly cooler and the party hosts will aim to keep the children out of the sun as much as they are able.
- If it is forecast to rain the party set up will be moved inside the New Building with a dedicated space for eating.

Confirmation for the number of attendees and other requirements will be made the week of the party.

When can we arrive?

The birthday child's family will be given access to the space 15 minutes prior to the party start time (i.e. 9.45am and 1.15pm). Your Gaol party host will already have your birthday space set up prior to your arrival. You will also have 15 minutes at the end of your party to pack-up and clean the space.

When should guests arrive?

Guests should arrive at the designated start time. The party host will direct them to the lawn area inside the New Building area. If there are any late arrivals, they will be shown through to the party by the retail staff.

Is there car parking?

There are numerous carparks available to Gaol visitors.
