VENUE HIRE AT ADELAIDE GAOL

Give your guests an arresting experience at Adelaide Gaol. Certain areas of the Gaol (such as the New Building and surrounds) can be hired for concerts, weddings, conferences, birthdays and other events. A heritage listed site, the venue also provides a dramatic backdrop for filming and photography.

- The hirer is required to provide their own public liability insurance for the duration of the event and any additional licenses that may be required.
- It is the responsibility of the hirer to ensure that the hired space is left tidy. Any event that has more than 80 guests in attendance will need to provide a cleaning service or will be charged a mandatory cleaning fee.
- The gaol is a heritage listed site which means no items are to be attached to walls within the gaol. All temporary structures (walls, staging, lighting etc) must be approved by gaol management.
- Smoking is not permitted inside the gaol, or near entrances. Please advise guests to exit the gaol grounds if they wish to smoke.
