Year 9-10 EDUCATION PROGRAM

Program information

Our Prisoner's First Day Program is interactive and encourages students to immerse themselves in Adelaide Gaol's long and diverse history. Focusing on the History elements of the HASS curriculum students experience life as a prisoner would have during the Gaol's 147 year operation. The students will see inside cells, interact with artefacts and contemplate South Australia's dark history. Students will each be given primary and secondary sources of a person and be asked to examine what these sources tell them about that person's life. Students will be asked to think critically about what was going on in the world that may have impacted on their person ending up where they did. Please note this is not a tour but a hands-on program. Students will not see all areas of the Gaol but will learn about the harsh realities of being a prisoner in the 1840s compared to the 1960s. Teachers will be given digital access to the sources used in the program after their visit.
