Cleland Wildlife Park Bush Buddies Program

Perfect for those outdoor playing, nature loving kids. Bush Buddies has become a very popular program among members and visitors and develops a sense of belonging, connection and adventure in the natural world and the native animals that we share it with. This program is held within the school term and is the perfect place for children to socialise with others. Each week children will explore a different Australian animal through storytelling, music, interactive and sensory learning experiences, while also exploring the park.

Program Information

Designed for

2–4-year-olds (5-year-olds can also attend if they are still in kindy)

Location

Cleland Wildlife Park
365c Mount Lofty Summit Road, Crafrers
SA 5152
