# Cleland Wildlife Park Puggle Play Program

*Cleland's natural outdoor setting is the ideal place to nurture your little one's curiosity in the wonderful of nature. Puggle Play is a much-loved program among members and visitors and develops a sense of belonging, connection and curiosity. Children and parents learn about the natural world around them through smells, textures, music, sights, songs and more. In the warmer months sessions are held outdoors and in the rainy month's sessions are held indoors. Each week is different and full of nature sensory fun activities*
