

## NATIONAL PARKS AND WILDLIFE ACT 1972

Proposal to alter the boundary of the Glenthorne National Park-Ityamaitpinna Yarta pursuant to Section 41A(2) of the *National Parks and Wildlife Act 1972*.

I, Michael Williams, delegate of the Minister for Environment and Water, hereby give notice pursuant to Section 41A(2) of the *National Parks and Wildlife Act 1972* of the intention to alter the boundary of the Glenthorne National Park-Ityamaitpinna Yarta for minor alterations to a public road that intersects the park.

The land to be removed from the Glenthorne National Park-Ityamaitpinna Yarta is a narrow strip, being a portion of Allotment 14 in Deposited Plan 88148 and Allotment 1001 in Deposited Plan 73104, adjacent to Majors Road (to form a new slip lane access to the park). Its removal from the park will allow for the correct alignment of the public road within the legal road reserve.

Copies of a plan of the affected land are available from the Department for Environment and Water, Ground Floor of 81-95 Waymouth Street, Adelaide City, between 9am and 4pm Monday to Friday.

Submissions are invited on the proposal, and may be sent to Tammie Edwards, Property Officer Proclamations, National Parks and Protected Area Program, Department for Environment and Water, GPO Box 1047, Adelaide SA 5001, or via email at [tammie.edwards@sa.gov.au](mailto:tammie.edwards@sa.gov.au). Submissions will be accepted up to and including Monday 10<sup>th</sup> January 2021
