Dear Mr Maher MLC,

**RE: FREEDOM OF INFORMATION APPLICATION**

I refer to your application pursuant to the *Freedom of Information Act 1991* (the Act) received by the Department for Environment and Water (DEW) on 10 July 2018, seeking access to:

*"A list of all Freedom of Information requests received from the Liberal Opposition between 17 March 2014 and 16 March 2018."*

On 13 July 2018, Mr Andrew Love of your office confirmed that the scope of this request is intended to identify all Freedom of Information applications that have been submitted by Liberal Members of Parliament within the timeframe, including any applications that were withdrawn, deemed refused or transferred to other agencies.

Mr Love also confirmed that information identifying individual and business names that would otherwise require third-party consultation prior to release, could be excluded from any discovered documents.

As the agency did not determine the application within 30 days of receiving it, by the operation of section 19(2)(b) of the FOI Act, the agency is taken to have determined the application by refusing access.

However, section 19(2a) of the FOI Act, provides that an agency may give access to a document on an application after the period within which it was required to deal with the application (and any such determination is to be taken to have been made under this Act).

**DETERMINATION**

Searches of the Department's records have found that there are five (5) documents held by this agency within the scope of your request and these are listed in the attached schedule.

As a DEW Accredited FOI Officer, I have determined to grant you full access to three (3) documents and partial access to two (2) documents. In accordance with Mr Love's confirmation on 13 July 2018, information identifying individual and business names has been marked as 'out of scope' of your request.

I wish to also advise you that the information within these documents contains details of some Freedom of Information applications which have been withdrawn, transferred to other agencies or deemed refused in accordance with the *Freedom of Information Act 1991*.

#### **DISCLOSURE LOG**

In accordance with [PC045 – Disclosure logs for Non-personal information](#) once a determination has been provided, the agency is required to make available on our website information and documents that have been disclosed. Information contained within this determination will be publicised online at <http://www.environment.sa.gov.au/about-us/freedom-of-information/foi-disclosure-log>.

#### **FEES AND CHARGES**

There is no charge for processing this application.

#### **YOUR APPEAL RIGHTS**

If you are dissatisfied with this determination, you are entitled to exercise your rights to internal review and appeal as outlined in the attached documentation, by completing the attached Application for Review of Determination. If you decide to apply to exercise your rights to review, the completed form must be returned within 30 days to:

Chief Executive  
Department for Environment and Water  
GPO Box 1047  
ADELAIDE SA 5001

If you have any queries in relation to the above please contact a DEW FOI Officer on telephone (08) 8463 6625 or email [DEW.FOI@sa.gov.au](mailto:DEW.FOI@sa.gov.au).

Yours sincerely

Diana Forgione
