Dear Mr Brown

I refer to your application pursuant to the *Freedom of Information Act 1991* (the Act) received by the Office of the Minister for Environment and Water, on 7 December 2018, seeking access to:

*"All documents (including but not limited to reports, briefings, emails, notes, minutes, plans and other documents) mentioning or related to Tindo Solar."*

**DETERMINATION**

I note the discussions and correspondence between myself and your office regarding the exclusion of 'documents available to the general public' and 'documents relating to correspondence with Mr Brown/Playford Electorate Office'.

As per the discussion I have had with your office and the abovementioned exclusion, searches of the records of this agency have found one (1) document with content within scope of your request.

As the Accredited FOI Officer, I have determined to grant you partial access to the document as some of the information contained within the document is out of scope of your request and has been marked as 'out of scope'.

**DISCLOSURE LOG**

In accordance with [PC045 – Disclosure logs for Non-personal information](#) once a determination has been provided, the agency is required to make available on our website information and documents that have been disclosed. Information will be publicised online at <http://www.environment.sa.gov.au/about-us/freedom-of-information/foi-disclosure-log>.

**FEES AND CHARGES**

There is no charge for processing this application.
