

****CULTURAL HERITAGE PRESERVATION & PROPERTY ACQUISITION PROPOSAL****

****WRITTEN ON NGARRINDJERI RUWE****

****Regarding Property:**** 26 Mannum Road, Murray Bridge, SA 5253

****Historical Significance:**** 1974 Birthplace of the Lower Murray Nungas Club by Elder Aileen Martha Wilson MBE

****Submitted By:**** Roy Wilson (Grandson & Kalparrin Community Inc. Life Member)

* * *

SECTION 1: COVER LETTER

To Whom It May Concern,

I am writing to you on Ngarrindjeri Ruwe to formally submit this property acquisition and heritage proposal. My name is Roy Wilson. I am a proud Life Member of Kalparrin Community Inc., the son of the late Victor Wilson and Glenys Wilson, and the grandson of Mark Wilson and the legendary Ngarrindjeri Elder, Mrs. Aileen Martha Wilson MBE.

I am seeking urgent advocacy, capital backing, or financial resources to secure and re-acquire the property at 26 Mannum Road, Murray Bridge, which is currently listed for sale on the open market.

This sandstone home holds an irreplaceable place in the history of Ngarrindjeri country. In 1974, within these walls, my nanna, Aileen Martha Wilson, established the youth drop-in centre that became the Lower Murray Nungas Club. Her groundbreaking work here laid the foundations for the regional Aboriginal service sector. For her tireless devotion, she was awarded the Member of the Order of the British Empire (MBE) medal in 1983. In 1975, alongside her children Victor and Isobel Norvill, and other respected Elders, she founded Kalparrin Community Inc.

For the historical record, while Kalparrin lost its residential rehabilitation funding around 2012 during the federal defunding of over 80 rehabs nationwide, our community remains fully operational, active, and strong. Today, Kalparrin continues to successfully run the Spirited Men's Program, the Municipal Services Program, and our 17-home community housing program.

This enduring strength is the direct legacy of my father, Victor Wilson, during his time as CEO, backed fully by my mother, Glenys Wilson—who was the absolute backbone of his work and is also an honored Life Member of Kalparrin. Working alongside other giants of the era like Uncle George Trevorow and Uncle Tom Trevorow (who were establishing Camp Coorong and HACS Point Wilderness Lodge), my father used his position on ATSIC to battle tirelessly for Ngarrindjeri people.

Under Victor's leadership, Kalparrin grew from a single old farmhouse named 'Glenora' into a thriving community asset. His historic successful acquisitions through ATSIC and government partnerships included:

- * The Adelaide Road site, where the Lower Murray Nungas Club eventually moved from Mannum Road, and which has now evolved into Moorundi Health Centre.
- * 34 Rocky Gully Road, fulfilling another vision of my nanna's by establishing the Arnold Gollan Waili hostel and an overnight shelter (currently vacant).
- * The 15-bedroom Barry Weigold hostel, built directly on-site at the Kalparrin community on Karoonda Highway (currently vacant).
- * The new Kalparrin corporate offices, recreation room, gym, and secure vehicle compound.
- * The cultural property at Pompoota near Mannum, alongside the successful purchase of three neighboring homes bordering the Kalparrin community.

Now, as Mark and Aileen's grandson, and Victor's son, I live to keep this 50-year flame alive. The sale of 26 Mannum Road represents a full-circle moment. It is an opportunity to bring the birthplace of the Lower Murray Nungas Club back into community hands to serve our people once again, ensuring that the foundational site of our modern community services is never lost to private interests.

We are formally presenting this proposal to explore:

1. ****Capital Infrastructure Funding:**** Utilizing heritage, housing, or Indigenous land funds (such as the ILSC) to acquire 26 Mannum Road.
2. ****State Heritage Recognition:**** Lodging an immediate application with State Heritage SA to permanently protect the site due to its connection to Aileen Martha Wilson MBE.
3. ****Commemoration:**** Organizing a permanent historical plaque on the site to honor the Wilson family's foundational contributions to Murray Bridge.

With the property actively on the market, time is of the essence. Attached below is the formal statement of historical significance prepared for the South Australian Heritage Register. I

welcome the opportunity to meet with your leadership team to discuss how we can protect this sacred piece of our history.

* * *

SECTION 2: STATEMENT OF HISTORICAL & CULTURAL SIGNIFICANCE

(Prepared in accordance with the South Australian Heritage Register guidelines)

Historical Summary

In 1974, this sandstone home at 26 Mannum Road became the foundational birthplace of the regional Aboriginal service sector in Murray Bridge and the Lower Murray region. Within these walls, respected Ngarrindjeri Elder Mrs. Aileen Martha Wilson MBE established a youth drop-in centre that quickly evolved into the Lower Murray Nungas Club.

At the time, the site functioned as the cultural and social engine room for local Aboriginal people. The grass-roots programs, community housing advocacy, and health initiatives started by Mrs. Wilson in this very house laid the direct operational groundwork for the region's modern Indigenous infrastructure. This includes the Adelaide Road site (which has since evolved into the Moorundi Aboriginal Community Controlled Health Service) and Kalparrin Community Inc., which Mrs. Wilson co-founded on Karoonda Highway in 1975 alongside her children Victor Wilson and Isobel Norvill.

For her extraordinary, lifelong, and pioneering service to the Aboriginal community, Mrs. Aileen Martha Wilson was rightfully awarded the Member of the Order of the British Empire (MBE) medal in the 1983 New Year Honours List. This property stands as a physical monument to her foundational vision, the endurance of the Wilson family legacy, and the half-century history of self-determination and community-controlled services on Ngarrindjeri Ruwe.

Justification Under State Heritage Criterion (g)

The place has a strong cultural or spiritual association for the community or a group within it.

This property holds a profound, irreplaceable social and historical association for the Ngarrindjeri community and the wider Aboriginal population of the Lower Murray region. 26 Mannum Road is culturally revered as the physical birthplace of the Lower Murray Nungas Club,

an institution that sparked 50 years of continuous health, housing, and social justice advocacy in Murray Bridge.

The site is deeply tied to the living memory of the community through the pioneering work of Elder Mrs. Aileen Martha Wilson MBE, her husband Mark Wilson, her son and long-time Kalparrin CEO Victor Wilson, her daughter Isobel Norvill, and contemporaries like Uncle George and Uncle Tom Trevorrow. The house represents the genesis of regional community-controlled services. Losing this property to private re-development without formal heritage recognition would cause significant cultural grief and erase a landmark that symbolizes Ngarrindjeri resilience, leadership, and community healing.

Physical Description

The property retains its original, substantial 1930s sandstone villa structure, facing Mannum Road. The physical fabric of the home, including its signature masonry and sandstone facade, remains highly intact and clearly identifiable as the structural layout where the 1974 youth drop-in centre and foundational Nungas Club meetings took place. It stands as an authentic, unbroken physical connection to that historic era.

* * *

Yours in community,

****Roy Wilson****

Grandson of Mark Wilson & Aileen Martha Wilson MBE

Son of Victor & Glenys Wilson (Kalparrin Life Members)

Life Member, Kalparrin Community Inc.

[BROWSE AWARD](#) | [BROWSE YEAR](#) | [BROWSE ALPHA](#)

The Order of the British Empire - Member (Civil)

The Order of the British Empire was formed in 1917 to reward service to the British Empire in the United Kingdom and abroad. Originally having only a civil division, a military division was added in 1918 to acknowledge distinguished military service of a non-combative nature.

The Order has five classes of appointment in each division and a medal of the Order. In descending order, the classes are: Grand Cross (GB); Knights and Dames Commander (KCB and DCB); Commanders (CBE); Officers (OBE); Members (MBE), and Medal (BEM).
