

Accredited Third Party Providers in South Australia

Updated 7 July 2026

Third Party Providers are accredited in South Australia by the Native Vegetation Council for the purposes of Section 25C of the *Native Vegetation Act 1991*.

Third Party Providers can establish, assign and (where applicable) broker SEB credit under the *Native Vegetation Act 1991* and the *Native Vegetation (Credit for Environmental Benefit) Regulations 2015* in South Australia.

Third Party Providers may be non-government organisations, environmental businesses, local councils, landscape boards or similar. They have:

- skills and experience in managing South Australian native vegetation for biodiversity conservation
- the capacity to enter into and administer relevant contracts and long-term agreements.

Providers are listed in Table 1. They may be approved for specific regions of operation only. 'Region' refers to Landscape Board regions of South Australia as follows:

- AW – Alinytjara Wilurara
- EP – Eyre Peninsula
- GA – Green Adelaide
- HF – Hills and Fleurieu

- KI – Kangaroo Island
- LC – Limestone Coast (South East)
- MR – Murraylands and Riverland
- NY – Northern and Yorke
- SAAL – South Australian Arid Lands

Region boundaries may be viewed at <https://statewide.landscape.sa.gov.au/> or with 'zoom in' ability on the [Location SA](#) website (click on Datasets>Land Management>Boundaries>Landscape Management Regions).

Refer to the next page for a list of accredited Third Party Providers.
