Coast Protection Board **Meeting**

December 2023

Key outcomes

The Coast Protection Board held Meeting 504 on 1 December 2023 at DEW, 81-95 Waymouth Street, Adelaide. The approved minutes will be released on the Board's website following its next meeting on 9 February 2024.

Key outcomes from Meeting 504 included:

- **Coast Protection Board Grants Program 2023-24:** The Board approved ten Coast Protection Board Grants to eight councils and one Community Participation Grant. The total of the Grants approved in this year's cycle is $1,030,000.
- **Coastal Adaptation in South Australia – Professor Beverley Clarke:** The Board received a presentation from Professor Clarke on the completion of the report *Integration of coastal hazard risk into local government strategic planning frameworks in South Australia, volume 2*.
- **Climate Science Advisory Committee – Professor Bronwyn Gillanders:** Professor Gillanders provided the Board with a presentation on sea level rise observations and potential future sea level rise scenarios.
- **Acknowledgement:** The Board noted the resignation of Dr Murray Townsend from DEW and acknowledged the work and support he provided to the Board and coastal management in South Australia more broadly. The Board also noted the resignation of Board member Annabel Sandery and thanked her for her contribution since 2020.
