

Coast Protection Board Meeting

MAY 2026

Key outcomes

The Coast Protection Board held Meeting 522 on 1 May 2026 at the offices of the Department for Environment and Water (DEW), 81-95 Waymouth Street, Adelaide. Meeting minutes are published [here](#) following confirmation at the subsequent meeting.

Key outcomes from the Meeting 522 included:

Presentation on SA Climate Ready Coasts Program Update

The Board received an update on the Climate Ready Coast (CRC) program from Ms Katherine Russell, Manager Policy Projects, LGA SA, and Mr Michael Arman, Program Manager, Climate Ready Coasts.

Stormwater Management Authority and Coast Protection Board Meeting

A meeting with the Stormwater Management Authority (SMA) will be held on 11 May 2026 to discuss collaboration on matters of complementary responsibilities.

The Board considered opportunities to strengthen alignment between Stormwater Management Plans and Coastal Hazard Adaptation Plans, improve outcomes related to coastal water quality and catchment management challenges, and foster more integrated mechanisms for engagement with key stakeholders, in particular local government.
