Dear Dr Carmody

STANDARD GOODS AND SERVICES AGREEMENT – VARIATION

I refer to the agreement between the Minister for Climate, Environment and Water and Restore Blue Law dated 14 January 2026, for the provision of services as the Commissioner for the River Murray South Australia (**Contract**).

I confirm that the parties have agreed to vary the Contract as follows:

1. Item 12 of Attachment 1 is deleted and replaced with:
 - a. Price: \$9,500 per month (GST Inclusive) for the period 12 January to 11 April 2026.
 - b. Price: \$19,000 per month (GST Inclusive) for the period 12 April to 11 August 2026.
 - c. Price: \$9,500 per month (GST Inclusive) for the remainder of the contract period, unless otherwise agreed between the parties.
 - d. Manner of payment: payments to be made in monthly installments.

Among other things, this contract variation reflects substantially increased work requirements associated with the statutory reviews of the Murray-Darling Basin Plan and *Water Act 2007(Cth)* and the parties will further review work requirements under the contract prior to 11 August 2026.

The parties further agree that in all other respects the terms and conditions of the Contract shall continue to apply without variation.

In consideration of the grant of this variation by the Government Party, you will pay a variation fee of \$1.10 (GST inclusive) if demanded by the Government Party.

Please signify your agreement to the variation by signing and returning the duplicate of this letter.

Yours Sincerely,
