Greens SA Parliamentary Co-Leader

Dear Ms Franks

RE: FREEDOM OF INFORMATION APPLICATION

I refer to your application pursuant to the *Freedom of Information Act 1991* (FOI Act) received by the Department for Environment and Water (DEW) on 30 January 2023, seeking access to:

" a record of the number of times the Waterfowl Identification Test was failed per year from 2020-2022, and if/how many reattempts were made "

As the agency did not determine the application within 30 days of receiving it, by the operation of section 19(2)(b) of the FOI Act, the agency is taken to have determined the application by refusing access. Section 19(2a) of the FOI Act permits a determination to be made after the statutory due date has lapsed, this course of action was pursued.

DETERMINATION

Searches of the Department's records have found twenty-three (23) documents held by this agency within scope of your request.

As a DEW Accredited FOI Officer, I have determined to grant you partial access to 23 documents.

Section 20 of the FOI Act provides that an agency may refuse access to a document if it is an exempt document under the Act. The documents, or parts of the documents to which I am refusing access and the reasons for the refusal are summarised in the attached document schedule (Attachment 1). An extract of the FOI Act exemption clauses relevant to this determination is also attached for your reference (Attachment 2).

FEES AND CHARGES

Pursuant to section 53(2)(b) of the FOI Act and Regulation 6 of the *Freedom of Information (Fees and Charges) Regulations 2018*, a determination is provided to Members of Parliament (MP) without charge in instances where the work generated by the applicant does not exceed the \$1000 threshold.

As this determination has been provided within the \$1000 threshold, no charge is applied to the processing of this application.

YOUR APPEAL RIGHTS

If you are dissatisfied with this determination, you are entitled to exercise your rights to internal review and appeal as outlined in the attached documentation, by completing the attached 'FOI Application Form – For Internal Review of a Determination'. If you decide to apply to exercise your rights to review, the completed form must be returned within 30 days to:

Chief Executive (Principal Officer FOI)
Department for Environment and Water
GPO Box 1047
ADELAIDE SA 5001
E: dew.foi@sa.gov.au

Should an FOI applicant believe an agency has failed to identify all of the documents within the scope of their FOI application, complaints about sufficiency of searches can be raised with the Ombudsman SA by visiting www.ombudsman.sa.gov.au.

If you have any queries in relation to the above, please contact a Freedom of Information Officer on telephone (08) 8463 6625 or email DEW.FOI@sa.gov.au.

Yours sincerely

Martha Savva

Accredited Freedom of Information Officer, Department for Environment and Water
