3 Register or Discharge a Security Interest

Please tick one of the following options:

- 3.1 Register a security interest over the whole of the above described water licence / water access entitlement on The Water Register. Please complete sections 4, 5 and 6 below
3.2 Extend the period of registration over the above described water licence / water access entitlement on The Water Register for a further seven years. Please complete sections 4, 5 and 6 below.
3.3 Discharge a security interest over the above described water licence / water access entitlement on The Water Register. Please note - ticking this box will mean that the existing security interest will be discharged and removed from The Water Register. If ticking this box, complete sections 4 and 6 (skip section 5).

NOTE: A security interest cannot be registered over part of a water licence. Where a financier seeks to register a security interest over part of a water licence, this must be achieved by the holder(s) first subdividing the water licence, and then registering a security interest over the whole of one of the resultant subdivided licences.
