Note: The subdivision of a water licence will result in the cancellation of the original water licence and the issue of multiple new water licences to be endorsed with identical taking and works conditions to the original licence. Subsequent applications to vary these water licence may be required. There may also be additional metering requirements as a result of subdivision. Consequently, potential applicants are encouraged to contact the Department to discuss the outcomes they are seeking using the contact details at the bottom of this form prior to submitting an application to subdivide a water licence.

Note: Each applicant must *either* sign as a person or sign as a company.

If signing as a company, two position bearers must sign e.g. Director and Secretary unless the Company has only one Director. In this instance only a single signature is required (and Sole Director must be stated as position held).
