4 Signatures of the Water Licence / Water Access Entitlement Holder(s)

Signatures of the Water Licence / Water Access Entitlement holder(s):

- I/We declare that the information provided on this application is true and correct.
- I/We consent to the cancellation of the water licences referred to in section 2 of this application, and the creation of a single water licence in their place comprising the consolidated water access entitlements, holders and licence conditions of the cancelled licences.

Note: The consolidation of water licences will result in the cancellation of the original water licences and the issue of a new water licence to be endorsed with consolidated holders, taking, works and metering conditions. Subsequent applications to vary this water licence may be required. Consequently, potential applicants are encouraged to contact the Department to discuss the outcomes they are seeking using the contact details at the bottom of this form prior to submitting an application to consolidate water licences.

Note: Each applicant must *either* sign as a person *or* sign as a company.

If signing as a company, two position bearers must sign e.g. Director and Secretary unless the Company has only one Director. In this instance only a single signature is required (and Sole Director must be stated as position held).
