

SA Heritage Council Strategic Plan towards 2030

Government
of South Australia

South Australians are enriched by the Protection, Conservation and Promotion of our Heritage

Protect

Clear and effective legislation with supporting framework
A fit for purpose digital SA Heritage Register
Comprehensive representation of historic themes on the SA Heritage Register
Empowered and engaged community to nominate potential State Heritage listings

Conserve

Ongoing well-funded heritage conservation
Informed, empowered and energised owners of heritage places
Heritage places have a continued use
Access to heritage expertise including traditional trade and skills for heritage conservation

Promote

Engaged community who values our heritage
Engaged new owners of State Heritage Places
Benefits of heritage and the Register are clearly understood
Our communications are effective and broad reaching
Greater resources dedicated to promoting heritage tourism, protection and conservation

Provide Government advice and support for legislative reform
Ensure Council is well informed of trends, issues and opportunities
Effective and best practice heritage policy development
Develop a digital register
Undertake a gap analysis across themes
Refine/ensure public participation in the nomination process
Ensure that SA Heritage Register entries are clear, consistent and accessible

Encourage access to financial assistance/heritage grants
Support the continuation and expansion of grants and other incentives
Make information, tools and resources easily available
Clarify the approvals process for works to a State Heritage Place
Influence removal of barriers
Reestablish an integrated, locally focused State/local heritage advisory service
Support program development in TAFE, universities, CITB to establish and maintain traditional trade skills

Empower and support all involved in heritage conservation to 'tell the stories of the past including truth-telling' that enrich and enliven our heritage
Champion the environment, economic and social value of heritage so that government invest in its promotion and conservation
Inform the community of the existence and functions of the SA Heritage Council, the Register and the opportunities to engage with heritage conservation
Lead enabling strategy and policy development
Promote stories of successful reinvigoration of heritage assets
Cross promotion with other organisations and institutions
Regular and accessible communication including Heritage News and Council website.
