

# Native Vegetation Council <sup>OFFICIAL</sup> Trained Arborists 2026

Contact arborists to enquire about their services. Native Vegetation Trained Arborists must hold a level 5 or higher qualification to be featured on this list. Arborists should be prepared to conduct assessments and prepare Tree Risk Assessment Reports for clearances proposed to manage vegetation that poses an unacceptable risk to the safety of people and property.

Native Vegetation Trained Arborists must submit their assessment in accordance with [Regulation 8\(6\) - safety of persons or property](#) and using this [template for the assessment](#).
