

Southern Kangaroo Island Marine Park

Management Plan Amendment 2025

Minister's Foreword

The Southern Kangaroo Island Marine Park Management Plan was adopted in 2012. It provides the statutory basis for the management of Southern Kangaroo Island Marine Park. It is a strategic document that defines the boundaries of the various zones and sets out strategies to address management challenges.

The Minister for Climate, Environment and Water may amend a marine park management plan at any time. As required under the Marine Parks Act 2007, a draft amendment must first be prepared and released for public consultation.

The Southern Kangaroo Island Marine Park Draft Management Plan Amendment was released for public consultation from 1 November until 13 December 2024. All submissions received were considered during the preparation of this final management plan amendment.

I am pleased to adopt the Southern Kangaroo Island Marine Park Management Plan Amendment in accordance with Section 14 of the *Marine Parks Act 2007*.
