Subject: FOI

Afternoon All!

We have received the following FOI from Michael Brown seeking:

"All documents (including but not limited to reports, briefings, emails, notes, minutes, plans and other documents) mentioning or related to the areas of Para Hills, Para Hills West, Parafield, Parafield Gardens, Mawson Lakes or Greenfields."

We have rung Michael Browns EO and requested he narrow the scope to perhaps include a subject. He has refused. Given we do not register correspondence in Objective using suburbs and also the amount of consultation that

would have to occur for each person who wrote to us, I am wanting to know if anyone else received this FOI and if so, what sources did you search and key words etc to ensure you had correctly captured every suburb in the request?

Thanks

Thanks everyone for your responses. It seems some have been refused the narrowing of scope and some are still waiting to hear. I believe Lucy is going to contact the AGD:FOI email for some advice on where to go from here. Would be good for us all to take the same approach, especially if it's anticipated to be a big one!.
