

SA Heritage Grant Program Round 3

Twenty-one State Heritage-listed properties will share in \$250,000 of grant funding to help conserve the significant sites under the third round of the SA Heritage Grants Program.

Sites to be awarded funding this round include churches, a lighthouse, wineries and a railway station with grants ranging from \$2,000 to \$20,000.

A Marshall Liberal Government election commitment, the Heritage Grants are aimed at helping rejuvenate the state's built heritage, ensuring it is protected and preserved for future generations.

\$750,000 have been provided in the first three rounds of funding through the program.

The following projects have been successful in securing funding in Round 3.
