

Heritage South Australia - List of Trades and Consultants

Updated October 2022

Heritage South Australia invite heritage tradespeople and consultants to apply to be included in its list of contacts. Applications are lodged via our web site <https://www.environment.sa.gov.au/topics/heritage/heritage-trades>. Applications are assessed by a panel of heritage professionals with successful applicants being entered on this list.

Skilled heritage professionals are not isolated to this list alone, heritage owners are free to use other tradespeople and consultants not included on this list. Heritage South Australia's list of trades and consultants is intended to assist heritage owners and consultants to engage the right person to undertake conservation work, provide heritage documentation or advice.
