SAFEGUARDING EYRE PENINSULA'S NATURAL & PRODUCTIVE ENVIRONMENT

The Eyre Peninsula Landscape Board partners with our local communities to manage and protect the natural resources and landscapes of the Eyre Peninsula region, ensuring sustainable and productive land and water use, and biodiversity conservation for the benefit of present and future generations.

We exist to champion the sustainable stewardship of Eyre Peninsula's diverse landscapes, fostering ecological resilience and community well-being. We are passionate about our role as protectors, connectors and leaders as we inspire our communities to work towards a more sustainable future. Because, at Eyre Peninsula Landscape Board, our role is personal. As shared custodians we feel a deep connection to the land and the communities we serve. It is our home.

Our goal is to create positive and meaningful change that will deliver sustainable environmental and productivity benefits for our region. Through proactive conservation, collaborative partnerships and innovative solutions, we strive to safeguard our natural heritage and productive landscapes, and empower our local communities to ensure a thriving environment for generations to come.
