

Funky Fungi and Groovy Grasslands

Field walk and talk

Join us at this FREE National Science Week event to learn more about our fascinating local fungi and our threatened native grasslands.

Attend one or both of these activities:

1. A family friendly guided **field walk** to discover local fungi and learn how to become a 'citizen scientist' by recording your sightings on Fungimap.
2. Join us for presentations to **talk** about the important roles of fungi in our environment, particularly in native grasslands.

Hear from

- Nicola Barnes, Murraylands and Riverland Landscape Board
- Dr Teresa Label, Adelaide Botanic Gardens and
- Sophie Hoffman, Adelaide University

This event is supported by the Murraylands and Riverland Landscape Board through funding from the landscape levies.

When: Sunday 14 August 2022

Time:

Field walk: 1 pm to 2:30 pm

Talk: 3:30 pm to 5:30 pm

Cost: Free, afternoon tea and supper provided

Location:

Field walk – Mowantjie
Willauwar Conservation Park
(10 minutes from Tailem Bend)
Talk - Tailem Bend Town Hall
function centre
