Dear Mr Teague, MP

I refer to your application made under the *Freedom of Information Act 1991* (the FOI Act) on 04/03/2025 seeking access to a document that provides the most up to date number of feral deer eradicated under the Feral Deer Eradication Program, as at 4 March 2025, and the number of those that were ear-tagged.

I have determined that the document which falls within the scope of your application is that listed in the attached document schedule and **that access will be granted in full.**

If you are unhappy with this determination you are entitled to apply for an external review in accordance with section 39 of the FOI Act. Your external review application must be lodged with the Ombudsman SA within 30 calendar days after the day you receive your determination.

In accordance with the requirements of Premier and Cabinet Circular PC045, details of your FOI application, and the documents to which you are given access, will be published in the agency's disclosure log. A copy of PC045 can be found at <https://www.dpc.sa.gov.au/resources-and-publications/premier-and-cabinet-circulars>.
