

On-Farm Dry Times Grant

Northern and Yorke Landscape Board

The Northern and Yorke Landscape Board is offering primary producers grants to help in the management of current dry conditions and support the implementation of sustainable agricultural practices.

What is available?

The maximum funding (ex GST) available to primary producers is dependent on farm size.

Livestock and/or cropping enterprises:

- Up to \$3,000 for properties between 500-1000ha
- Up to \$5,000 for properties 1000ha+

Viticulture enterprises:

- Up to \$1,000 for properties between 10-25ha
- Up to \$3,000 for properties between 25-75ha
- Up to \$5,000 for properties 75ha+

Who is eligible?

Primary producers that own or manage a primary production enterprise that:

- Is predominantly located within the Northern and Yorke Landscape Board region; and
- Has received the majority (>50%) of income from primary production in the last two years.

How can I spend the grant?

The full list of activities can be found in the *Application Guidelines*. They include:

- Installing new or repairing water infrastructure - pipes, pumps, irrigation, troughs and dams
- Constructing new or upgrading an existing stock containment area
- Accessing decision making tools - feed and soil tests, specialist dry times advice, soil moisture monitoring, weather stations, tank/trough monitors, telemetry sensor equipment

What is ineligible?

- Labour (in-kind), vehicles and travel costs
- Utilities and operating costs of the business - electricity, rates
- Purchase and movement of livestock, feed and agistment
- Purchasing new or repairing machinery
- Retrospective reimbursements

How do I apply?

- Read the *Application Guidelines*
- Take 10 minutes to fill out the Application Form and submit to Sustainable Agriculture Facilitator, Molly O'Dea, molly.odea@sa.gov.au, 0456 538 224
