Important: This order form must be completed and returned prior to collection to ensure that sufficient stock of baits are available. Please do not attend baiting days unless you have pre-ordered your baits. If you are unable to attend one of the collection dates – please contact your Landscape Officer to let them know how many baits you require and to discuss alternative arrangements.

*Completed order forms to be sent via mail or email to James Pook on the following details:
James.pook@sa.gov.au or U1 /4 Seventh Street, Gawler South SA 5118

Approval for nominated agent to collect 1080 bait

Please note: Only complete this page if somebody other than the property owner will collect the fox baits.

I, of
(OWNER OR OCCUPIER) (PROPERTY)

.....
(ADDRESS)

nominate..... as my agent to collect and use 1080 bait on my behalf.
(AGENT)

The possession, supply and use of 1080 (*sodium fluoroacetate*) is in accordance with Regulation 16(2) of the Controlled Substances (Poisons) Regulations 1996.

My agent accepts responsibility to transport, store and lay the 1080 baits, or cause the 1080 baits to be laid according to the 'Label', 'Directions for Use' and the conditions within the 'Approval to Possess 1080 Bait' form signed by him/her.

.....
(SIGNATURE OF OWNER OR OCCUPIER)

I, accept responsibility to transport, store and lay the 1080 baits, or cause
(AGENT)

the 1080 baits to be laid according to the 'Label', 'Directions for Use' and the conditions within 'Approval to Possess 1080 Bait' signed by me.

.....
(SIGNATURE OF AGENT)
