

Turtles of the river

Connection, culture and conservation

A once in a lifetime opportunity to be involved with a large-scale turtle monitoring project!

Join us to learn from scientists and River Murray and Mallee Aboriginal Corporation (RMMAC) Rangers, create art with meaning and take action for our turtles.

Wednesday 12 November 2025
Camp Kedron
471 Queen Elizabeth Dr,
Barmera, SA.

10 am - 2 pm

Students will participate in hands-on activities and learn about the turtle monitoring project.

Please BYO recess, lunch, water bottles. Dress for the weather on the day and hats are a must. Sunscreen and insect repellent provided.

Registration is essential for this event. Schools are invited to bring a small group of year 5/6 students. Get your free ticket here:

More information:

- Registered schools will receive final information about activities and any risk assessment information - this event will be held at Camp Kedron and on the banks of the Lake - students will be NEAR water.
- School buses/cars will need to park along Queen Elizabeth Drive.
- Please BYO recess and lunch.
- Schools are asked to ensure students eat morning tea/recess on the way or on arrival so we can start on time. Lunch will be at 12 pm.
- BYO refillable water bottles. Water to refill will be available on the day.
- Wear weather-appropriate clothes for the day as we will be OUTSIDE all day. Hats are essential.
- Signed photo consent forms for all YEL students and adults in attendance if you have not returned them already.
