

Marine Park 12 - Southern Spencer Gulf Marine Park

Final Kangaroo Island MPLAG Zoning Advice from Meeting held 16/5/2011

This map represents the advice from the Kangaroo Island Marine Park Local Advisory Group on their preferred zoning scenario.

IMPORTANT: Please note that this final zoning advice from the MPLAG:

- has been developed thanks to the goodwill and hard work of volunteer MPLAG members over 18 months to May 2011;
- does not necessarily represent the views of all MPLAG members;
- will be closely considered as the SA Government develops draft management plans with zoning for formal community consultation in late 2011.
