This map represents the advice from the Lower Yorke Peninsula Marine Park Local Advisory Group on their preferred zoning scenario.

**IMPORTANT:** Please note that this final zoning advice from the MPLAG:

- has been developed thanks to the goodwill and hard work of volunteer MPLAG members over 18 months to May 2011;
- does not necessarily represent the views of all MPLAG members;
- will be closely considered as the SA Government develops draft management plans with zoning for formal community consultation in late 2011.
