

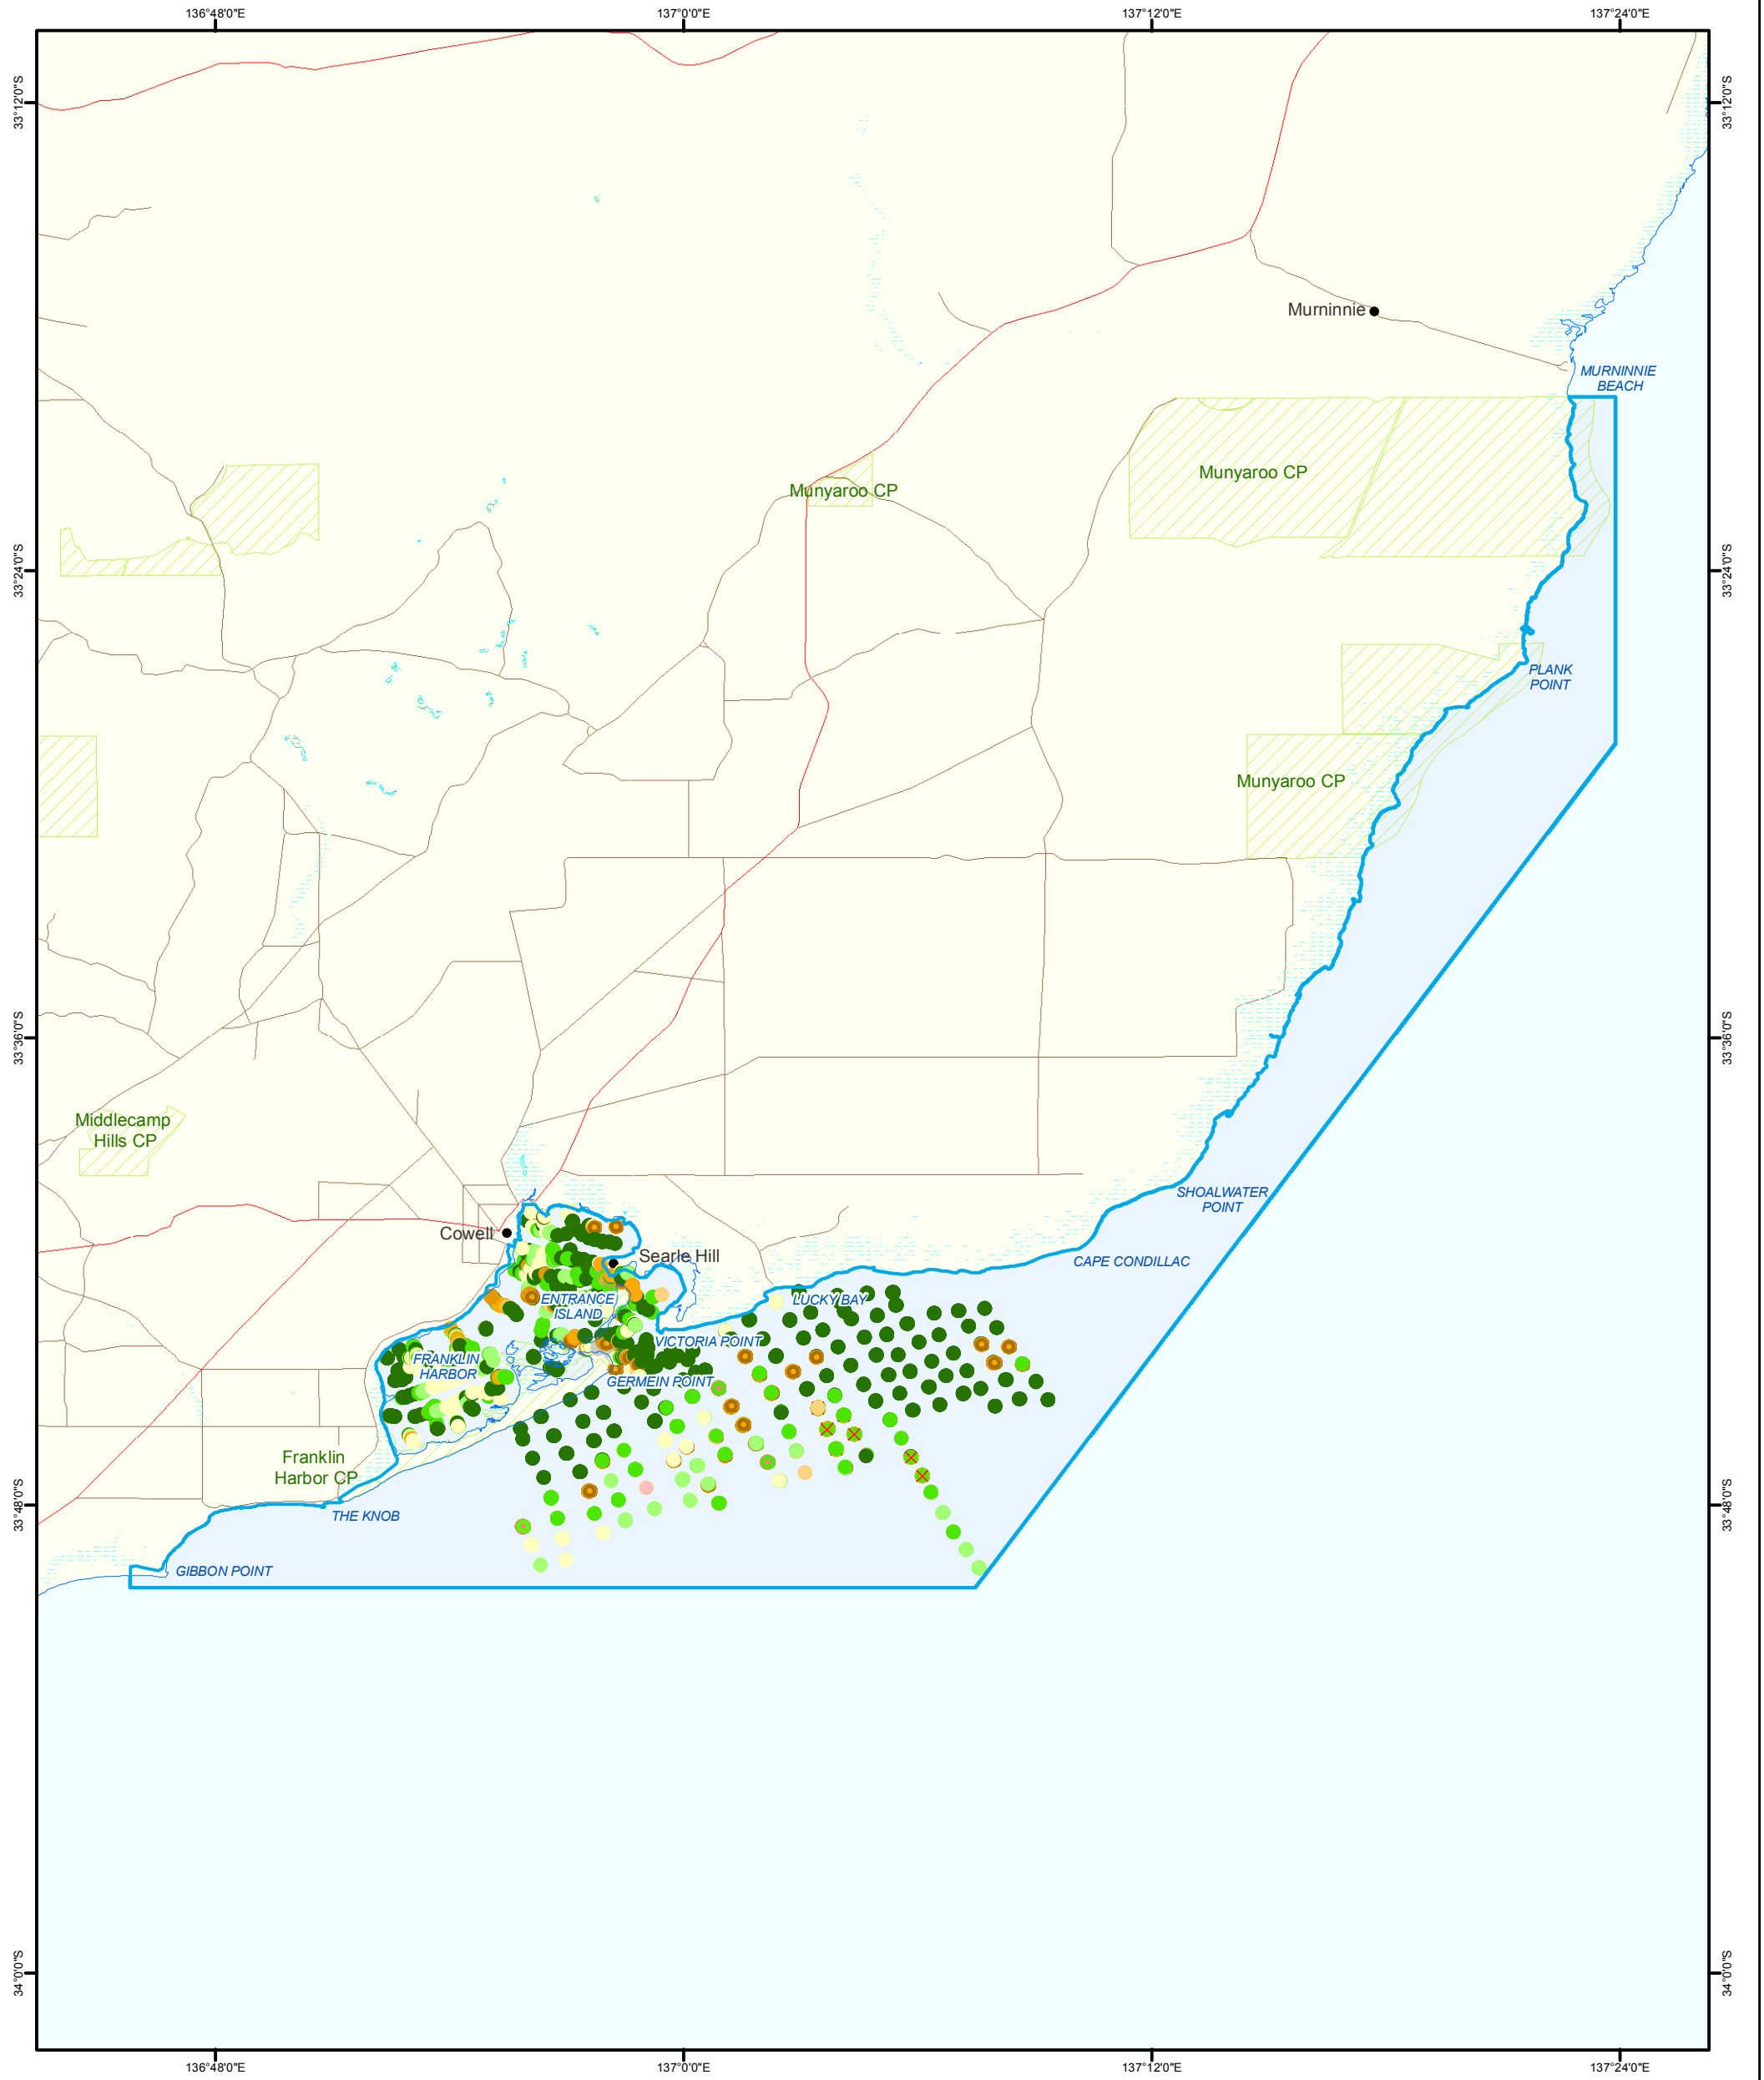

# Figure 5C: Franklin Harbor Marine Park

## State Benthic Habitats Video Points

- |                                  |                                    |                                   |
|----------------------------------|------------------------------------|-----------------------------------|
| Marine Parks                     | Algae; Dense                       | Seagrass, algae and invertebrates |
| Parks and Reserves               | Algae; Medium                      | Seagrass; Dense                   |
| Lake - Intermittent              | Algae; Sparse                      | Seagrass; Medium                  |
| Land Subject to Inundation (STI) | Cobble                             | Seagrass; Sparse                  |
| Land Subject to Flooding (STF)   | Invertebrates; Sparse              | Unconsolidated bare substrate     |
| Coastline (median high water)    | Reef; Low profile                  |                                   |
| Major Road                       | Reef; Macroalgae; Low profile      |                                   |
| Minor Road                       | Seagrass and algae; Medium         |                                   |
|                                  | Seagrass and invertebrates; Medium |                                   |
