**Gallery:** Approx 30 people present.

**Members advise that the following outcomes were achieved at the meeting:**

Members and the gallery were given an opportunity to provide comments and ask questions about the Marine Parks program.

The following was presented and discussed:

- possible sanctuary zone scenarios provided to the MPLAG members in November 2010, and
- the alternative suggestions and comments from MPLAG members and the general public.

Concerns raised by members of the public and the MPLAG members included:

- the science behind Marine Parks,
- displaced effort compensation for commercial fishers,
- the size and location of the possible sanctuary zones presented by DENR, and
- the opportunity for LAG members to reshape that sanctuary zones.

The meeting closed at 6.15 pm
