State Benthic Habitats Video Points

- |                                  |                                    |                               |
|----------------------------------|------------------------------------|-------------------------------|
| Marine Parks                     | Algae and invertebrates; Medium    | Seagrass; Dense               |
| Lake - Perennial                 | Algae and invertebrates; Sparse    | Seagrass; Medium              |
| Lake - Intermittent              | Algae; Dense                       | Seagrass; Sparse              |
| Lake - Mainly Dry                | Algae; Sparse                      | Unconsolidated bare substrate |
| Land Subject to Inundation (STI) | Invertebrates; Dense               |                               |
| Land Subject to Flooding (STF)   | Invertebrates; Sparse              |                               |
| Parks and Reserves               | Reef; Macroalgae; Low profile      |                               |
| Aquatic Reserves                 | Seagrass and algae; Medium         |                               |
| Defence Prohibited Area          | Seagrass and invertebrates         |                               |
| Coastline (median high water)    | Seagrass and invertebrates; Dense  |                               |
| Major Road                       | Seagrass and invertebrates; Medium |                               |
| Minor Road                       | Seagrass, algae and invertebrates  |                               |
