

SIR JOSEPH BANKS
MARINE PARK LOCAL ADVISORY GROUP
RECORD OF MEETING

Meeting No. 2. Thursday 27 May 2010 at Tumby Bay

The objectives of Marine Park Local Advisory Groups are to:

Facilitate effective communications between the Department for Environment and Heritage (DEH) and regional communities and to assist in the development of draft marine park management plans using the design principles.

Members present:

Dion Watson (Chair), Gerard Anderson, Julie Fischer, Wayne Goedecke, Barry Power, Greg Palmer, Tom Tierney, Paul Harrison, Paul Wilkins, Matt Waller, Julie Elliot

Apologies/absent: David Ellis, Darren Tressider, James Brook, Gerard Anderson

Members advise that the following outcomes were achieved at the meeting:

- Reviewed SAMPIT data provided – recognising it is predominantly recreational fishing data. Charts were reviewed and extra information added. Committee recognised that commercial data would be received at a later date.
- Outline of management plan content.
- Clarified position at the meeting, that the main purpose of the marine park is representative biodiversity protection, for future reference.
- An outline of the design process going forward was covered.
- Guarantee of information being provided to LAG members in relation to response to questions raised via correspondence.
- Key task prior to next meeting was to identify local management issues and strategies.
- Concern was raised regarding cost of future compliance.
