MARINE PARK LOCAL ADVISORY GROUP

RECORD OF MEETING

Meeting No. 2. *Tuesday 25 May 2010 at Streaky Bay*

The objectives of Marine Park Local Advisory Groups are to:

Facilitate effective communications between the Department for Environment and Heritage (DEH) and regional communities and to assist in the development of draft marine park management plans using the design principles.

Members present:

Jonas Woolford (Chair), Alan Payne, Sherron Mackenzie, George Gill, David Letch, Gregor Schrieber, Noel Box, Lorelee Wright, Trevor Gilmore, Christine Taylor, Christian Gerlach, Tony Custance, Rob Gregor

Apologies/absent: Nick Paleologoudis, Kristy Newton

Members advise that the following outcomes were achieved at the meeting:

- The group reviewed SAMPIT data provided – recognising it is predominantly recreational fishing data. Other stakeholder input (commercial fishing) would be useful.
- Viewed benthic habitat of bay systems in fine detail .
- Outline of management plan content, and user guide.
- Issues and strategies will be identified via community networks.
- Action proposed to workshop ideas. Date pending – Angela to facilitate workshop in around 2-3 weeks. (Before 25th June.)
- Awareness of intricate processes and policies required to establish marine park management plans and zonings.
- Appreciation of design principles in generating a thorough process.
