

#### MARINE PARKS ACT 2007: SECTION 14

TAKE notice that pursuant to section 14 of the *Marine Parks Act 2007*, the Minister for Climate, Environment and Water gives notice of the intention to make amendments to the authorised management plan for the following established marine park:

1. Southern Kangaroo Island Marine Park.

This notice of intent marks the commencement of the process required under section 14 of the *Marine Parks Act 2007* to amend management plans. The proposed amendment relates to the following:

1. Southern Kangaroo Island Marine Park – Extend the eastern and western boundaries of the Seal Bay sanctuary zone, and extend the western outer boundary of the marine park.

The proposed amendment to the Southern Kangaroo Island marine park management plan will be published in the near future, at which time formal public and stakeholder consultation will commence.
