# Minister's Foreword

The Upper South East Marine Park Management Plan was adopted in 2012. It provides the statutory basis for the management of Upper South East Marine Park. It is a strategic document that defines the boundaries of the various zones and sets out strategies to address management challenges.

The Minister for Environment and Water may amend a marine park management plan at any time. As required under the *Marine Parks Act 2007*, a draft amendment must first be prepared and released for public consultation.

The Upper South East Marine Park Draft Management Plan Amendment was released for public consultation from 27 May until 10 July 2020.

All submissions received were considered during the preparation of this final management plan amendment.

I am pleased to adopt the Upper South East Marine Park Management Plan Amendment in accordance with Section 14 of the *Marine Parks Act 2007*.
