

My visit to Morialta Conservation Park.

We are going to Morialta Conservation Park.

We will drive there in our car.

We will park in the carpark.

There is a playground there.

The playground has climbing trees, boulders I can climb, paths to follow, secret tunnels and slides.

This is what the toilet looks like.

If I need to go to the toilet, I will ask the adult that I am with to take me.

There are different signs at the park.

These signs have information about the park and maps.

I can ask an adult to read them with me.

If I get tired I can sit on one of these chairs.

I might see animals there like kangaroos, birds or koalas.

I can look at them but not touch them.

There is a bridge there.

I can walk across this.

Sometimes there is water flowing under the bridge.

These steps lead to a place called the Giant's Cave.

There is a hand rail that I can use to help me climb the stairs.

I can take my time walking up the stairs.

I may even need to rest on the way up

The steps take you up to the inside of the cave.

I can walk into the cave and have a look around.

The park has a lot of walking trails.

This one will take me to a lookout so that I can see a waterfall.

I had fun visiting the park.
