

My visit to first falls walk in Morialta Conservation Park.

The First Falls is a waterfall.

A waterfall is where water falls from high up.

There is a carpark for our car.

There are toilets in the park.

If I need to go, I need to tell my adult first.

There are signs at the start of the walk.

There are sign posts along the way to first falls.

No bicycles or dogs allowed.

There is a path

that leads to a cave called

Giant's Cave.

I can climb up the stairs to Giant's Cave.

I can walk into the cave.

There are bridges to cross on the walk to first falls.

I can sit and rest on the bench if I get tired.

I am close to the First Falls when I see this sign.

I can see the First Falls.

I cannot go in the water.

I must stay behind the fence.

I can walk back to the car park.

I enjoyed my walk to the First Falls.
