

Ngarkat Conservation Park

Orchid Hike

The Mallee is full of surprises. Small, delicate, and beautiful Ngarkat Conservation Park is home to over 50 orchid species which blooms during late autumn to spring. Become an orchid-hunter and seek out their colourful flowers as you walk through this native pine woodland but please don't pick them, only take photos.

Trail name	Trail class	Distance/Time	Trail description
Orchid Hike	 Grade 3 Moderate hike	2 km, 40 mins return	Suitable for most ages and fitness levels. The hike will take you through native pine woodland supporting a variety of orchids. There will be some short steep sections and uneven surfaces. Some bushwalking experience is recommended. Trail markers guide the way.
*Hikers can estimate the time required to walk a trail by using an average speed of 3 to 4 km per hour.			

The National Parks Code

Help protect your park by following these guidelines:

-  Leave no trace - take your rubbish with you.
 -  Camping is only permitted in designated campground areas.
 -  Keep to defined tracks and trails
 -  Leave pets at home. 1080 poison, lethal to pets, is used in the park to control foxes and wild dogs.
 -  Do not remove or disturb plants, geological features, or cultural artefacts.
 -  Wood and soil fuel fires are prohibited throughout the year. Exceptions apply in the campground.
- Thank you for leaving the park in its natural state for the enjoyment of others.*

 **Do not leave the track.** The uniform vegetation and lack of readily identifiable features make it easy to become disorientated. Follow the installed trail markers.

 **Mobile phone coverage in the park is not guaranteed.**

 **Permits are required.**
