The National Parks Code

Help protect your park by following these guidelines:

- Leave no trace - take your rubbish with you.
- Camping is only permitted in designated campground areas.
- Keep to defined tracks and trails.
- Leave pets at home. 1080 poison, lethal to pets, is used in the park to control foxes and wild dogs.
- Do not remove or disturb plants, geological features, or cultural artefacts.
- Wood and solid fuel fires are prohibited throughout the year. Exceptions apply in the campground.

Thank you for leaving the park in its natural state for the enjoyment of others.

Do not leave the track. The uniform vegetation and lack of readily identifiable features make it easy to become disorientated. Follow the installed trail markers.

- Mobile phone coverage in the park is not guaranteed.**
- Permits are required.**
