Before we go, I must check that the park is open.

Some days it can be closed due to bad weather or bush fire danger.

I can look at the information signs to know what to explore during camping.

I can ask people in these uniforms for help.

They are park Rangers who look after the park.

We can also choose which campsite we can stay at.

My adult will put up a tent for us for camping.

I will make sure that my adult can see me when I am playing.

I will ask my adult first before I go anywhere.

There are toilets at the campground.

If I need to go, I need to tell my adult first.

I need to wash my hands after using the toilet.

The water is brown colour and it is not for drinking.

There are no hand driers in the toilet.

This is the outside area around the camp kitchen.

I can sit outside at the table to rest or to eat.

I must take my rubbish with me.

There may be other people around.

I should only be in the camp kitchen when my adult is with me.

I can sit inside at the table in the kitchen to rest or to eat.

I must take my rubbish with me.

This is a BBQ that can be used to cook on.

My adult can use this BBQ to make us something to eat.

There may be other people having a BBQ.

My adult will bring fire wood to make a fire in the firepit for the camp.

I will not put wood in the fire.

I will be safe if I stay close to my adult.

I will stand far away from the firepit.

When we walk back to our car, there may be other people and cars.

I will be safe if I stay near my adult.

I need to watch out for moving cars.

I had fun camping at Wirra Campground.
