PARK FIRE RESTRICTIONS as of 28 October 2021

Note:

Subject to the *National Parks and Wildlife (National Parks) Regulations 2016*, *Fire and Emergency Services Regulations 2005* and *Wilderness Protection Regulations 2006*, and the further restrictions detailed in the table below, fires are only permitted where:

- a Total Fire Ban has not been declared;
- wood or material used in the fire has not been collected from a reserve or wilderness protection area;
- a person who is able to control the fire is present at the site of the fire from the time it is lighted to the time it is completely extinguished; and
- unless otherwise permitted, wood or solid fuel fires must be in designated areas only.
