SCHOOL HOLIDAY PROGRAMS

FOR ALL AGES

School Holidays Bush Play 2-4 years

Bush Play is a fun and engaging program for adults and their child to spend the morning together discovering new things about the amazing natural world around us and native Australian animals we share it with.

This is a great way to encourage young children to interact and connect with Australian animals and nature, in an engaging learning outdoor environment. This program is set up just like our Bush Buddies program but is now available the school holidays too!

Each school holidays have a different animal topic.

School Holidays

Bush Kids 5-10 years

It's a great opportunity to be outdoors and discover more about our amazing wildlife we share our world with, whilst exploring Cleland Wildlife Park and making new friends.

The school holiday program is jam-packed with fun activities encouraging curiosity through nature-based hands-on learning opportunities, whilst meeting our local resident animals along the way.

Each school holiday has a different theme to keep your little one curious. From bee hotel making to making your own fossil there is a new fun opportunity each school holidays.

Connect with your child in nature.

School Holidays Junior Wildlife Keeper

If you are interested in animals and nature and are not afraid to get your hands a little dirty, this program is for you! Come and spend the morning at Cleland Wildlife Park with like-minded animal lovers.

Your morning will include learning about animal care, and exploring the many activities a Wildlife Keeper might carry out. Participants can help to prepare enrichments for our animals to enjoy, clean animal exhibits, and may also offer them their breakfast. You will be provided with opportunities to explore Australian animal characteristics, movements and sounds, and learn how to responsibly care for and interact with animals.

Don't forget, with such a busy morning, be sure to bring along some snacks to keep your energy levels up.
